

Seasons in the Sun

Member Agreement

I agree to pick up the CSA basket at the agreed upon location and time. If basket is not picked up within the stated time or prior arrangements have not been made, I understand that week's basket will be forfeited, contents donated, and the cost of that basket charged to my credit card.

I understand that I am allowed one week's vacation from basket delivery with at least one week's written notice to Seasons in the Sun of the upcoming break.

I understand that it is my responsibility to contact Seasons in the Sun Farm directly and NOT the business associated with my preferred pick up location to determine the date and time of the weekly pick up.

I am allowed one vacation week per six month period where my basket is forfeited with no charge to my credit card. I also understand that I am to notify Seasons in the Sun at least one week in advance of my intended vacation week.

I understand that I can arrange for others to pick up my basket in my absence with prior notification to Seasons in the Sun.

I understand that Seasons in the Sun will be closed for the week of Thanksgiving, Christmas, New Years and 4th of July. During these weeks, no baskets are provided and additional items will be provided in the weeks preceding and/or following these closures. The specific dates of these closures will be determined at the start of each year, and will be stated to me at least one month prior to the closure.

If for any reason, such as holidays, inclement weather, family emergencies, et. al., Seasons in the Sun cannot fulfill the weekly basket order, I will be notified as soon as possible. At this occurrence, Seasons in the Sun may forfeit that week with no cost to me or will provide additional items in the following week's basket.

I understand that the Seasons in the Sun Farms is a private facility and I will respect the property and the livestock. I will not bring animals to the farm, and if I bring children, they will be supervised at all times. I will park in designated areas only. I understand that membership in the Seasons in the Sun CSA does not entitle me to visit the Farm unannounced.

I understand that I am responsible for adhering to the requirements set forth by the persons or business associated with my preferred pick up location.

I understand that the variety of items in each basket depend on growing conditions and availability.

I understand that any changes to this contract cannot take place until the following billing month after the change has been requested. If I decide to cancel this contract, I understand that I must finish out the current billing month and that the cancellation fee is equal to one half of the monthly fee.
